Music, visual art, textiles and more ... Hop on board for our three week travel adventure for young people and their families!

Box Office: 020 8232 1010 watermans.org.uk

This summer we're travelling the world without leaving Brentford – join us!

Journey with us this August through creative workshops and free drop-in activities. The theme is **Travel** and over the course of three weeks we'll be having fun and getting inspired by our world. Using digital coding, textile design, visual art and music, every workshop and drop-in activity will help transform our Gallery with a brand-new exhibition by our young participants!

How it works

All workshops will be lots of fun, help to develop new skills and are suitable for beginners. Workshops for 4–8s are 50 minutes and the child must be accompanied. Workshops for 8+ are half day and unaccompanied; children must have a parent consent form to take part.

The all-age workshops are open to all, as are the free drop-in activities. Please have fun and join in whatever your age!

All workshops will contribute to our public exhibition that will showcase the work from 23 Aug–1 Oct.
