## JOE BLACK

### MEET ME AT THE ELDORADO

**FRI 2 FEB, 8.30PM**  
**£15 (£14)**

Notorious cabaret reprobate Joe Black evokes the spirit of the infamous 1920's Berlin nightclub The Eldorado. Abandon your troubles at the door and slip out of realities, trials and tribulations. With original songs and stories alongside tributes to more recognisable artists, Joe Black invites you to an evening that pays homage to the decadent Weimar Berlin nightlife. Irreverent, comical and devilishly charming.

"If you get the chance to see Joe Black perform then grab it with both bejewelled hands, don some rhinestones and slink your way down to this (metaphorically) smoky lair"

## MISS HOPE SPRINGS

### THE DEVIL MADE ME DO IT

**FRI 16 FEB, 8.30PM**  
**£15 (£14)**

Internationally acclaimed musical comedy cabaret sensation 'recovering showgirl' Miss Hope Springs plays the piano and sings songs from her award-winning, all-original, self-penned, repertoire. Hysterical tales from her disastrous 'Ritz to the pits' life are interspersed with songs about her various paramours, and revelations about her scandalous showbiz shenanigans. Still wearing the sequins she left the Pink Pelican Casino with in 1972, Miss Hope Springs brings you her blend of finger snapping pop, romantic rumbas and sassy bossa novas.

"A character of uncanny comic accuracy... Exquisitely funny"
